I came here for tetanus injection shot. Dr Jodie & the staffs were professional and friendly. Best thing is the clinic opens at night. Good and reasonably priced! Highly recommend!

★★★★★ **Sofie T ST** · June 2025 · Facebook

First time here. Brought my mom for constant bodyache (arthritis in the elderly). Dr. Jody is very helpful & friendly. She listened to us keenly & gave sound advice. Used my mom's Kenyalang Gold & not having to pay from our own pocket is definitely a plus! Thank you, Sarawak Government & thank you, Dr. Jody.
